KOTA FAQs

Where is lodging?

- Lodging is provided in the dormitory of St. Stephens School and is on campus. The rooms are double occupancy and goalkeepers will be separated by gender. RTG Academy staff and school security will be monitoring the dormitory during downtime and sleeping hours. Should your goalkeeper have a rooming request, a boarding concern, or a question, email thertgacademy@gmail.com.

Food?

- All meals (breakfast, lunch, and dinner) will be provided during stay at St. Stephen's for both full-experience and commuter experience. Should your goalkeeper have specific dietary restrictions and/or requests, email thertgacademy@gmail.com.

Nearest hotel?

- Austin has hundreds of hotels. This list represents a small selection based on proximity to St. Stephen's and varying room rates.

Is transportation to/from the airport offered?

- We currently are not offering transportation but if enough interest is there it could be a possibility for an additional charge. Interested in group transportation, email thertgacademy@gmail.com.

Do most out-of-town GK families stay in the area for the duration of camp?

- All family members are welcome to come to Austin, while their goalkeeper is experiencing KOTA. Austin is a very lively and vibrant city with lots to do for all ages. We'd be happy to send recommendations! Visiting families will be able to visit with their goalkeeper during non-training or group activities hours. Goalkeepers will not be allowed to leave campus during KOTA.

Are the GKs divided up by age, level, or both?

- The keepers will mostly be broken up by skill but age will also play a factor in this. We will ensure that the goalkeepers are paired with like goalkeepers both in physical ability and physical size.

If I have my car, can I go off-campus when we are not training?

- There will be no driving by full-experience goalkeepers during the KOTA week. Car keys will be held by the RTG Academy staff.

Security?

- St. Stephens, a private Christian high school, maintains high security with gated premises, 24/7 security, and restricted access to approved staff, students, and visitors.

What should I pack?

- Goalkeeper gloves
- Training gear - boots, shin guards, skids or compression shorts, soccer ball, etc.
